State of Ohio retirees make a difference

Retired state employees can be proud of their accomplishments and continue to contribute to the State of Ohio Combined Charitable Campaign. Lives can continue to be touched by your continuing compassion and generous support. Unlike the payroll deduction option you may have used as an employee, this contribution would be a one-time gift.

The charities were asked to give us some examples of the things they do with the money raised through the CCC. Here are just a few of their responses:

- \$50 could pay for a week's automobile expense to deliver food to the elderly.
- \$75 could transport a chemotherapy patient to and from treatments for one month.
- \$100 could buy 50 bags of cement to repair flood victims' homes.
- \$150 could buy a one-month supply of oxygen for a terminally ill patient.
- \$250 could heat or cool a senior day center for one month.
- \$500 could support the purchase of a disaster preparedness kit.

Dear Retiree:

The State of Ohio Combined Charitable Campaign (CCC) would like to encourage you to participate in a very important effort. The CCC gives state employees and retirees the opportunity to make tax-deductible contributions to charitable organizations of their choice in an easy and secure way.

Your contributions allow charities to continue work within communities across Ohio, nationally, and internationally. So many valuable services are provided by the many organizations involved in the CCC. Counseling services, medical research, disaster relief, environmental and endangered species protection are all included in the campaign. Perhaps you have found yourself or a loved one in a situation when the assistance of one of these organizations was needed. If so, you know just how important these services are, and how important it is that we each contribute in order to sustain the work of these charities in our communities.

Any amount is welcome and appreciated. Unlike the payroll deduction you may have used as an employee, retirees are only eligible to donate a one-time gift. We hope that you will join us in making a contribution to the State of Ohio CCC today and help touch the lives of those in your community and around the world.

Sincerely,

Steering Committee
State of Ohio Combined Charitable Campaign
