State of Ohio Retirees: You Make the Difference

Retired state employees can be proud of their accomplishments and continue to contribute to the State of Ohio Combined Charitable Campaign. Lives are touched by your continuing compassion and generous support. Unlike the payroll deduction option you may have used as an employee, this contribution would be a one-time gift. Contributions are tax deductible.

An Opportunity to Give Back

I donate to CCC and other charitable organizations because when I was a young adult with three small children, my wife and I worked fulltime, but we didn't earn much money. We had low paying jobs. At times we received food stamps and went to foodbanks for assistance. So, I decided several years ago to give back. I understand the importance of donating to charity. We appreciated the help. I know others do as well.

Phil Wright
Ohio Department of Medicaid

Dear State of Ohio Retiree:

The State of Ohio Combined Charitable Campaign (CCC) would like to invite you to participate in the annual Combined Charitable Campaign. The CCC gives state employees and retirees the opportunity to make tax-deductible contributions to charitable organizations of their choice in an easy and secure way.

Your contributions allow CCC charities to continue their valuable work within communities across Ohio, nationally, and internationally. Counseling services, medical research, disaster relief, environmental and endangered species protection are all included in the campaign. Perhaps you have found yourself or a loved one in a situation when the assistance of one of these organizations was needed. If so, you know just how important these services are, and how important it is that we each contribute in order to sustain the work of these charities in our communities.

Any amount is welcome and appreciated. Unlike the payroll deduction you may have used as an employee, retirees are only eligible to donate a one-time gift annually. We hope that you will join us this year in making a contribution to the State of Ohio CCC today and help touch the lives of those in your community and around the world.

Sincerely,

Steering Committee
State of Ohio Combined Charitable Campaign

“Your Campaign. Your Choice.”

The State of Ohio Combined Charitable Campaign (CCC) is the only charitable-giving effort operated and administered by state employees. The CCC enables charities to provide a wide variety of quality community services to our friends, neighbors and those less fortunate. A single gift to the CCC can help people locally, nationally and abroad. The CCC has more than 1,550 charitable organizations that qualify for the campaign.
