Re: Changes to the WILMAPC Panel Year

Due to some delays with the data for the first and second quarter performance scores, the Committee has decided to move the start of the second panel year. Originally, the second year was scheduled to start February 1, 2011. This date has been moved to July 1, 2011. Each new panel year will continue to start on July 1 of subsequent years.

The first panel year's scores will be based on the following:

1<sup>st</sup> quarter – February 19, 2010 through March 31, 2010, evaluated as for June 30, 2010

2<sup>nd</sup> quarter – April 1, 2010 through June 30, 2010, evaluated as of September 30, 2010

3<sup>rd</sup> quarter – July 1, 2010 through September 30, 2010, evaluated as of December 31, 2010

4<sup>th</sup> quarter – October 1, 2010 through December 31, 2010, evaluated as of March 31, 2011

The fourth quarter scores will be released in April or early May 2011. At that time, a communication will be sent to providers with the final scoring information and outcome for the first panel year. It will inform them of their status on the panel for the second panel year, beginning July 1, 2011. The appeal period will run for 30 days from the date the providers receive their scoring information. This will allow for all appeal determinations to occur during May and June and the panel will be finalized by July 1, 2011.
