Four-wheel drive trucks and SUVs up for bid

COLUMBUS – More than 20 four-wheel drive vehicles – trucks and SUVs – are among the 204 vehicles available for bidding at the State of Ohio surplus auction Saturday, Oct. 15.

The auction will be held at the Ohio Department of Administrative Services, General Services Division headquarters, 4200 Surface Road, Columbus. The gates open at 8 a.m.; the auction begins at 10 a.m.

In addition to the four-wheel vehicles, other vehicles available include 28 motorcycles as well as cars, vans and refrigerated trailers.

To view the vehicles, please visit: <http://www.dasapps.ohio.gov/Surplus/nextauction.asp>.

Vehicles may be inspected between 8 a.m. and 3 p.m. Oct. 11 through 14. Vehicles, excluding motorcycles, may be started between 8 a.m. and 2:45 p.m. Friday, Oct. 14. The office will be closed Monday, Oct. 10 in observance of Columbus Day.

All vehicles are sold as is with no warranties. All vehicles must be paid for in full the day of the auction. Thirty-day temporary tags will be available for purchase on site the day of the auction for \$18 cash.

Surplus property auctions provide the general public an opportunity to purchase quality goods at reduced prices and enable the state to recoup a portion of its initial investment. Miscellaneous property and vehicle auctions generated more than \$2.5 million this past fiscal year.

Public auctions are the last step in the state's surplus program. State agencies declare property as surplus because it is damaged or at the end of its life cycle for government use. In addition, property may include items seized by law enforcement officials as well as items contributed by airline passengers. The property is then made available to other state agencies, state higher education facilities, tax-supported agencies, municipal corporations and other political subdivisions of the state, including public schools. Remaining property is sold at the public auctions.
