Self-Insured Vehicle Liability Program

1.0 Purpose

Pursuant to Ohio Revised Code (R.C.) 9.83, the Department of Administrative Services, General Services Division, Office of Risk Management (ORM), operates the state’s self-insured motor vehicle liability program. The purpose of this administrative policy is to detail the specifics of the program and does not constitute a policy of insurance.

Copies of this policy should be posted and distributed to all employees, officers, and authorized operators who may operate a state vehicle in the scope of their employment or official duties.

Motor Vehicle, as found in R.C. 9.83 includes an automobile, truck, motor vehicle with auxiliary equipment, self-propelling equipment or trailer, aircraft, or watercraft.

The ORM maintains a separate aviation liability insurance policy, which covers state owned aircraft only. Self-Insured liability coverage may be provided for select aircraft which meet specific underwriting requirements. A request for coverage must include:

1. Year, make and model of aircraft;
2. FAA Registration Number;
3. State agency name and operating division;
4. Pilot history forms for each pilot;
5. Flight operations type(s) and number of hours.

The ORM reserves the right to deny coverage for any aircraft or pilot under this section.
2.0 Program Terms & Conditions

The ORM will pay liability claims and judgments properly made and rendered against the state, state employees, state officers and authorized operators resulting from the operation of a motor vehicle, providing the operation was in the course of legitimate state business, as authorized by the participating state entity.

2.1 **Limits of Coverage**: The program provides a combined single limit for bodily injury and property damage of $2,000,000 per accident.

**Required Endorsements:**

**A. Leased/Rented Vehicles**: Coverage may be provided by endorsement for commercially leased or rented vehicles. Endorsements can be requested via the State of Ohio Risk Management Portal, which is accessible through [http://DAS.Ohio.gov/riskmanagement](http://DAS.Ohio.gov/riskmanagement).

**B. Authorized Operators**: Coverage for non-state employees may be provided, by special endorsement, for persons who operate state vehicles as authorized by the state entity, while serving the interest of the state. Endorsements can be requested via the State of Ohio Risk Management Portal, which is accessible through [http://DAS.Ohio.gov/riskmanagement](http://DAS.Ohio.gov/riskmanagement).

All endorsements are subject to ORM approval and may require an additional premium charge. No coverage will be provided unless the vehicle or authorized operator is properly endorsed.

2.2 **Premium Allocation**: Pursuant to R.C. 9.823, a premium allocation, which may periodically change, will be charged to each participating agency to cover claim payments, loss adjustment expenses and the cost of administration.

2.3 **Territory**: Self-insurance coverage extends to losses occurring in the United States and Canada.

2.4 **Termination of Self-Insurance Coverage**: Failure of an agency to pay a premium, as billed within 60 days, may result in a written notice of cancellation of self-insurance coverage. Cancellation of coverage will become effective 10 days after mailing.

2.5 **Unauthorized Use of State Vehicles**: State-owned vehicles are authorized for use in the performance of all essential travel duties related to the completion of state business. They are not authorized for personal trips unrelated to the state business for which they were assigned or to attempt tasks which are beyond the vehicle’s capabilities.

When in doubt, the decision must be based on whether the vehicle’s use will serve the interest of the State, rather than the driver. Caution and discretion must be used at all times. For a listing of authorized and unauthorized use of state-owned vehicles refer to Ohio Administrative Policy VF-01, *Employee’s Use of Employer Provided Vehicles*. 
If it is believed that an employee, officer or authorized operator’s use of the vehicle is not authorized, it is the responsibility of the state agency employer or agency requesting coverage for an authorized operator to provide the ORM with immediate notification and the facts surrounding the incident. It is incumbent upon each state agency to pursue unauthorized operation charges pursuant to R.C. 124.71. If the state agency fails to file charges, the ORM reserves the right to do so.

Any unauthorized operation of state vehicles may result in immediate disciplinary action from the operator’s agency and/or termination of coverage under the self-insured program by ORM. Such action may prevent an operator from driving a state-owned or endorsed vehicle. Immediately notify the ORM of any such disciplinary action.

2.6 **Exclusions:**

A. Liability coverage does not apply:

1. If an employee, officer or authorized operator is convicted of violating R.C. 124.71, Unauthorized Operation of Motor Vehicles.
2. To any individual who is operating, using or responsible for that individual’s personally owned, leased or rented vehicle.
3. To bodily injury or property damage caused intentionally by or at the direction of the insured.
4. To liability assumed by the insured under any other contract or agreement.
5. To any obligation for which the insured or the ORM may be held liable under any workers’ compensation, unemployment compensation or disability benefits law, or under any similar law.
6. To any bodily injury or property damage occasioned by the operation of a motor vehicle by a volunteer, or a temporary, not classified as an officer or employee of the state, unless covered by an endorsement.
7. To property damage, injury or destruction to:
   a. Property owned by, in the charge of or being transported by the insured, or;
   b. Property rented to or in the care, custody or control of the insured, or over which the insured is for any purpose exercising physical control.
8. To acts of war, whether declared by Congress, civil war, insurrection, rebellion or revolution or any act or condition incidental to any of the foregoing. This exclusion does not apply to situations arising under the condition of a state emergency and called forth by the Governor of the State of Ohio to engage specific state-owned vehicular equipment to act upon that emergency.
9. To all aircraft, unless the ORM determines it is in the best interest of the state to do so. Coverage is not automatic; pre-approval by the ORM is required.
10. To any vehicle, including watercraft, if the Federal Tort Claims Act required the U.S. Attorney General to defend the operator in any civil action or proceeding that may be brought due to its use.
11. To any individual who is operating under license suspension or revocation, unless special work privileges awarded by a court are provided to and approved by the ORM.
12. To any individual who is driving without a valid driver’s license.
13. To any individual whose coverage has been terminated.

The duration of the coverage termination will depend on the specific facts surrounding the incident up to and including the possibility of permanent termination of coverage.

While an accident does not have to occur to result in termination of coverage, the following circumstances while operating a state vehicle or equipment may result in immediate termination of coverage for a period of three (3) years from the date of the incident:

A. Operating while under the influence of alcohol or drugs, including reduced offenses;
B. Failure to take a field sobriety or blood alcohol test;

2.8 Reinstatement of Coverage: For those individuals whose previous participation has been terminated, ORM will review the facts of the termination and may determine the individual is eligible for reinstatement. Subject to the approval of the ORM, the individual must meet the following minimum conditions:

A. Completed review of the individual’s driving record;
B. Having acquired no points under R.C. 4510.036 while operating any vehicle during the period of termination of coverage;
C. Having had driver’s license status restored to Valid;
D. Provide the ORM with proof of the successful completion of the eight-hour National Safety Council Defensive Driving Course.

The Portal can be accessed from any computer or mobile device by going to the ORM website: [http://DAS.Ohio.gov/riskmanagement](http://DAS.Ohio.gov/riskmanagement).

2.10 **Financial Responsibility:** Ohio law requires you to show proof of financial responsibility. Each state vehicle shall keep a copy of the State’s Certificate of Self-insurance in the glove box of the vehicle for proof of financial responsibility. You may download copies of the Certificate of Self-Insurance from the ORM Website at: [http://DAS.Ohio.gov/riskmanagement](http://DAS.Ohio.gov/riskmanagement).
