Go to www.procure.ohio.gov. In the center of the page, click on the bar that says "Current Contracts". In the next window, click on the center bar where it says "Make a Selection". In the subsequent drop-down box, click on the first selection "All Contract Types/Methods". At the next window, under "General Criteria", type "CRP" and then click on the "Search" button at the bottom of the page. That will get you to all of the CRP contracts. If you want to put any column in alpha/numeric order, click on the small circular area at the top of any given column.
