

# Comparing The Costs of Medications

Want to save some money? Catamaran offers a variety of Web-based features intended to put you in touch with valuable health and prescription drug benefit information. Through [www.mycatamaranrx.com](http://www.mycatamaranrx.com), you can review your plan's benefits, locate a participating pharmacy, view and print your prescription history, and more.

In addition, Catamaran's online drug pricing tool, Price & Save, can save you money by comparing the price of your prescriptions at local retail pharmacies and through mail service. This allows you to shop for the most competitively priced pharmacy to obtain your prescription and helps save you money. Unlike other drug pricing tools, Price & Save identifies the lowest priced pharmacies without bias, enabling you to become a fully informed consumer.
