

# RideSolutions

**morpc**

*Find a Better Way to Work*

RideSolutions provides free help so commuters can avoid the downtown construction by providing options to carpool, vanpool, ride the bus and bike to work.

Ridesharing, biking, and walking to work not only saves money, but also reduces the number of single occupant vehicles on our roadways, resulting in less congestion in construction areas and better air quality.

**VAN/CAR POOL  
INFO  
1-888-742-RIDE**

### Carpooling is easy!

Just tell RideSolutions where you live, the location of your job and work hours and RideSolutions will do the rest. There is no obligation and the service is free. Email [Kpossible@morpc.org](mailto:Kpossible@morpc.org) or call 1.888.742.RIDE to find co-workers sharing your commute or for more information.

### Vanpooling from your neighborhood:

Join a vanpool group; you will pay an affordable monthly fee covering use of the van, insurance, maintenance, parking and fuel. Enjoy vanpooling to work while someone else does the driving.

### We currently have the following vanpool openings to downtown Columbus:

#### Dayton/Springfield

Work hours 7:30 am to 4:30 pm., Mon. – Fri.

#### Newark/Pataskala

Work hours 7:30 am to 4:30 pm., Mon. – Fri.

### RideSolutions is currently forming vanpools from these areas to downtown Columbus:

Morrow County

Pickerington

Athens/Logan/Lancaster

Mt. Vernon

Marysville/Dublin

Dayton

Zanesville

Chillicothe/Circleville

Mansfield

For more information about vanpooling or to reserve a seat on a vanpool contact Patty Olmsted, RideSolutions Vanpool Program Developer, at 614.233.4133 or email [palmsted@morpc.org](mailto:palmsted@morpc.org).

### Carpool, vanpool, ride transit, bike, or walk to work – you won't be stranded!

RideSolutions' free guaranteed ride home program reimburses a 90 percent taxi ride home if an emergency occurs during the workday for registered commuters, up to four times a year. You can register online for this free program at [www.morpc.org](http://www.morpc.org) or by calling 1.888.742.RIDE (7433).
