

IMPORTANT INFORMATION REGARDING YOUR ORAL ACNE MEDICATION COVERAGE
Effective July 1, 2013

Dear Member:

As your pharmacy benefits manager, *Catamaran is committed to making the use of your prescription drug benefit easier, less complicated, and less expensive.* In order to deliver on this commitment, we regularly review your prescription drug coverage to make sure you are receiving high quality benefits while minimizing your costs wherever possible. As someone who has been prescribed an oral acne medication in the past, we are contacting you to let you know about a new change in your oral acne medication coverage that will help you save money and better manage your health.

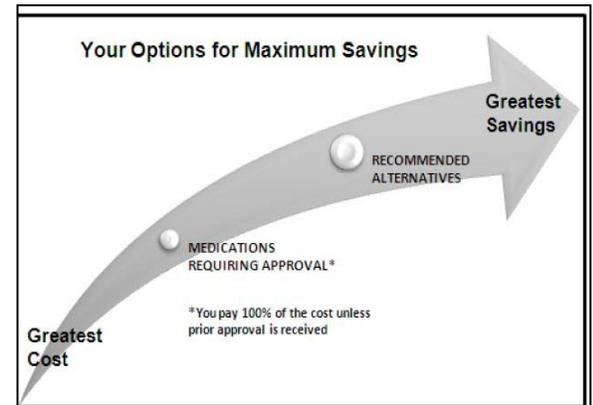

Medication Requiring Approval
Oracea, Solodyn

Recommended Alternatives
doxycycline, minocycline, tetracycline

Please note that if you purchase a medication requiring approval, you will be responsible for 100% of the medication's cost at the pharmacy. To avoid paying the higher cost, you will need to obtain a new prescription for a recommended alternative from your healthcare provider to ensure coverage of your medication.

As noted in the diagram on the right, recommended alternatives provide you with the greatest savings. Please contact your doctor to schedule an appointment and discuss whether this treatment is right for you. At your appointment, you can discuss the switch to a recommended medication and, if appropriate, get a new prescription.

If you have previously tried a recommended medication and it did not work for you, please contact Catamaran Member Services to inquire about a prior authorization for your current medication. Once authorized, you will pay your plan's higher non-recommended copayment/co-insurance for the medication. Benefit designs may vary with respect to drug coverage, quantity limits, step therapy, days supply and prior authorization.

If you have any questions, please call our Member Services Department at the telephone number listed on your member identification card. Representatives are available 24 hours a day, seven days a week to assist you.

Sincerely,

Catamaran
