

## Preferred Drug List

The Preferred Drug List is a condensed version of the Catamaran Formulary. Please be aware that this is not an all-inclusive list. Changes may occur throughout the year and plan exclusions may override this list. Benefit designs may vary with respect to drug coverage, quantity limits, step therapy, day supply and prior authorization. The most effective way to determine whether your prescription is on the preferred list is to go to [mycatamaranrx.com](http://mycatamaranrx.com) and use the Price and Save feature located at the top of the Catamaran website once you have logged-in.
