MILLION DOLLAR QUARTET

part of the KeyBank Broadway Series

October 11-23, 2011

CEO tickets go on-sale August 8.

General public on-sale is August 12.

Million Dollar Quartet is the smash hit Broadway musical, inspired by the true story of the famed recording session that brought together rock 'n' roll icons Elvis Presley, Johnny Cash, Jerry Lee Lewis and Carl Perkins for the first and only time.

On December 4, 1956, these four young musicians were gathered together by Sam Phillips, the "Father of Rock 'n' Roll" at Sun Records in Memphis for what would be one of the greatest jam sessions of all time. Million Dollar Quartet brings that legendary night to life with an irresistible tale of broken promises, secrets, betrayal and celebrations featuring timeless hits including "Blue Suede Shoes," "Fever," "That's All Right," "Sixteen Tons," "Great Balls of Fire," "I Walk the Line," "Whole Lotta Shakin' Goin' On," "Who Do You Love?," "Matchbox," "Folsom Prison Blues," "Hound Dog" and more. This thrilling musical brings you inside the recording studio with four major talents who came together as a red-hot rock 'n' roll band for one unforgettable night.
