MEMORANDUM

TO: All Human Resources Administrators

FROM: DAS Human Resources Division

DATE: November 18, 2009

RE: Minimum Wage Rates for 2010

This is to inform all agencies, boards and commissions that Ohio's minimum wage will remain unchanged in 2010. The current minimum wage rate is \$7.30 per hour.

Changes to the wage are tied directly to the Consumer Price Index (CPI) as outlined in the constitutional amendment passed in November, 2006. The index declined by 0.2 percent from September 1, 2009 to August 31, 2009; resulting in no change to the state minimum wage.

Attached, you will find a news release from the Ohio Department of Commerce which contains additional information, related links and contact information.
